# CUSTOM SIGNS

We are sign experts and have been manufacturing and printing signs and displays for over 20 years. Not only do we offer a wide range of turnkey signs, we design and manufacture custom signs, structures and displays for warehouses, manufacturing operations, office interiors and more.

## PRINTING CAPABILITIES

With remarkable equipment, technology and a superior team, we produce up to 35,000sq. ft. of display graphics per hour. Our quality control and full service customer satisfaction team includes talented print production crews, sewing and finishing teams, pre-flight art staff and more, all dedicated to producing the best quality signs and display graphics. We are proud to be able to provide consistent, high quality graphics with accurate color to the G7 specification.

With 12 state-of-the-art printers, we provide our clients with graphics to complement our line of hardware display products creating a one-stop shop for all of your sign, interior and event requirements. We specialize in face-to-face signs and displays of all types and can print on more than 23 materials.

# GRAPHIC DESIGN SERVICES

## ENGAGING, CREATIVE DESIGNS.

Work with us to showcase your brand identity and enhance their interior space. We have a team of talented graphic designers who have sizable experience designing and quality checking artwork for interior signs and displays.

## GRAPHIC DESIGN SERVICES

Businesses of all types benefit from the use of graphical images and artwork to deliver important information, enhance traffic flow, encourage direction and more. Help your customers develop and deliver a brand experience and image that influences and enhances the employee experience. **Ask us about our Graphic Design Services rates.**
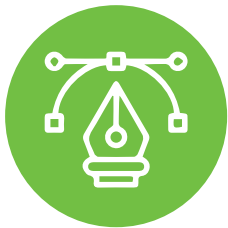

### LOGO DESIGN
We work with you to create and deliver a strong brand identity with a memorable logo design.

### LOGO CLEANUP
We enhance the appearance of logos, complete with the formats needed for print and digital.

### SIGN DESIGN
We design signs and displays that communicate, promote & motivate.

### ROOM DESIGN
We design and deliver customized signs and structures for lobbies, entryways, conference rooms, offices and other interior spaces.

## WHEN SUPPLYING CUSTOM ARTWORK, FOLLOW THESE ARTWORK GUIDELINES:

### ACCEPTABLE FILE FORMATS
High Quality PDF—Preferred VECTOR format TIFF—preferred RASTER format
Illustrator CC 2021 or below
Photoshop CC 2021 or below

### GUIDANCE
Include support art (fonts, linked images, etc.).
Illustrator special effects such as glows, transparencies or drop shadows not recommended.

### FONT SPECIFICATIONS
Fonts must be converted to outlines.
If fonts are not created to outlines, please provide TruType fonts.

### COLOR SPECIFICATIONS
Provide all vector files (Illustrator & InDesign) in CMYK format. Supply all raster artwork (Photoshop files, jpgs, tis) in RGB format for the most accurate color output.

### BLEED SPECIFICATIONS
Add 1/2" bleed for rigid and rollable materials; add 2" bleed for fabrics.

### G7 CERTIFIED
The graphics we provide are G7 certified and printed on state-of-the-art equipment.
G7 certification helps ensure the production of the highest quality, consistent and accurate color graphics.
G7 specifies the components of an image that define a similar "visual appearance" to the human eye.

### G7 SPECIFICATION
Defines a color metric definition for gray balance.
Specifies gray balance in the midtones and image contrast from the highlights to the shadows.
Defines the ideal colorimetric black and CMYK gray-tone curves for an image.
Specifies a step-by-step method for calibrating proofing systems and printers to these tone curves.
